WALLASEY COTTAGE HOSPITAL

A RECORD YEAR

NEED FOR GREATER
SUPPORT

APPEAL AT ANNUAL MEETING

24th FEBRUARY 1939

WALLASEY COTTAGE HOSPITAL.

SPEECH OF CHAIRMAN : MR. ALBERT WHITESIDE

You have now heard the various Reports read dealing with the activities of this Hospital during 1938. In the year under review our Hospital has passed through a very busy period and the medical and surgical work performed has advanced considerably both in volume and in scope—in fact it has been a *record* year as you may have gathered from the Reports just submitted to you.

The capacity of the Hospital has been severely taxed at various times, and I feel it can justly be said that we have had a year of useful service to the sick and suffering. The constantly increasing calls upon the Hospital for accommodation have brought the contemplated extension of our premises into the forefront, and the Committee are now seriously considering the best method of meeting the additional demands upon the Hospital's resources. It is hoped that during the present year we shall be able to complete an extension

of the ward accommodation—moderate in size—as in view of the frequent developments and improvements which are taking place in the planning and construction of hospital accommodation, we must be careful to arrange our plans so that they will prove suitable for as long a period as possible, bearing in mind the ever changing conditions which are going on in these days of progress. The latest A.R.P. Memoranda issued by the Ministry of Health also indicate that due regard will have to be paid to methods of safety against attack to be adopted in existing Hospital buildings and also when planning new hospitals and extensions.

Any extension of our Hospital naturally brings up the important question of financing such a Scheme as that contemplated. This year there has been a slight—almost microscopic—increase in the amount received from our Annual Subscribers, for which we are most grateful, but I hope that as soon as the public learn of our intention to extend, they will feel a real responsibility towards their local Hospital and enrol themselves as Subscribers. All residents in our district ought to take a pride in the welfare of our Hospital and support it financially.

This is the 73rd year of the existence of the Wallasey Cottage Hospital which was founded by two public spirited gentlemen in 1866—Dr. William Bell and Mr. C. C. Chambres. I have just had the privilege and pleasure of perusing the first Annual Report of the Wallasey Cottage Hospital, which consisted of two wards, one for men and one for women, each containing two beds. The admissions to the Hospital during the first year were only 22 ! Contrast this figure with the number of in-patients dealt with by our Hospital in 1938, viz. : 616, plus the number of out-patient attendances last year of 1,688, and you will realise how the splendid work of caring for the sick has developed from such a small beginning.

The excellent service given by the Hospital justifies the Committee in appealing for a substantial increase in the number of Annual Subscribers to our Funds, and we earnestly invite offers from the ladies and gentlemen of our extended Borough to proffer their services to the Wallasey Cottage Hospital especially in the matter of gathering additional subscriptions and donations. We badly need the assistance of addi-

tional helpers. Remember ! it is better to help a hospital from the outside than to have to be helped when inside the hospital ! Let the possession of good health be a sound reason for an individual to resolve to assist a hospital which has a mission to restore the sick and suffering to good health.

To the ladies who do such valuable work in collecting funds for our Hospital we are greatly indebted, but we wish to vitalise our collecting efforts by the medium of additional workers—both ladies and gentlemen. In Hospital work there is ample opportunity for the young people of to-day to make their contribution to the service of their less fortunate fellow creatures. Any friends who are willing to assist should send their names to the Hon. Secretary.

I take this opportunity of expressing my thanks and appreciation to my colleagues on the Committees for their good work in a very busy year, and particularly for the kindly co-operation and assistance given to me since I was appointed to the Chairmanship in March last.

INVITATION TO VIEW THE HOSPITAL

There are many persons in Wallasey and district who have never had an opportunity of inspecting the Wallasey Cottage Hospital and have little idea of the service it renders. If there be any who are interested and would like to avail themselves of the opportunity,—especially those who, by their voluntary service and financial help have done so much to assist in its maintenance—a cordial invitation is hereby extended, and suitable arrangements for their visit will be made upon application to the matron or the Hon. Secretary.

WALLASEY COTTAGE HOSPITAL.

73rd Annual Report, 1938.

The Committee have pleasure in submitting their Report for the year 1938, the 73rd in the life of the Hospital.

The equipment of the Hospital has been brought up to date by the installation of new sterilisers, an improved gas and oxygen apparatus and hot and cold water supply in every private ward. In order to centralize the clerical work, one of the rooms has been converted into an office and a Lady Clerk appointed and, to meet growing needs, an internal telephone system has been installed.

The medical and surgical demands on the Hospital continuing to increase, the need for additional accommodation becomes more pressing, and the Committee are now considering plans for an appropriate extension which it is hoped will be inaugurated this year.

The exterior of the Hospital has been repainted and considerable internal redecoration effected.

Negotiations with those responsible for Air Raid Precautions are taking place in regard to the safeguarding of the Hospital and the rendering of service in a National emergency, and arrangements have been made for the Nursing Staff to attend an anti-gas course.

The furnishing of the Nurses' Home has been completed and the Home is now not only entirely occupied but is proving to be a valuable acquisition.

While the Committee feel that, at the moment, the finances of the Hospital are in a satisfactory position, they are much concerned with the continuous decline in the number of Subscribers and now make a strong appeal for more widely spread help in that direction. Moreover, expenses show a consistent increase and the additional facilities placed at the service of the public are not producing a corresponding increase in income. The voluntary system, admirable in every way, is now being severely tested financially and can only be maintained by generous support. In this respect the local Hospitals are fortunate in having the Merseyside Hospitals Council to watch over their interests.

VIEW FROM THE SOUTH.

The Committee have again to extend their best thanks to their loyal Subscribers and Donors and to their friends, The Wallasey Village Festival, Hospital Sunday Fund, New Brighton Amateur Operatic Society, Guild of Undergraduates, Wallasey Hospital Ball Committee, St. Nicholas' Golfers' Service, Wallasey Lady Bowlers' Charity Handicap, The Chrysanthemums, Harold Challenge Cup and the Wallasey Ladies' Bowling Association for their enthusiastic and continued support which is highly appreciated.

Our grateful thanks are also due to the Lady Organisers and Collectors for their devoted assistance to the Hospital, to the kind friends who generously contributed eggs during the Hospital's Egg Week and to all those (including many ex-patients) who helped to make the Matron's Pound Day a notable success.

Dr. Apsimon having removed to the South, has resigned from the Medical Staff and Dr. Geoffrey R. Hawkes has been appointed to take his place. During the year the following additions have been made to the Honorary Consulting Staff, viz. :—

Mr. C. McIntosh Marshall, as Hon. Consulting Gynaecologist, and Mr. C. S. Anderson, as Hon. Pathologist.

We regret that, after a valued service as Hon. Consulting Dental Surgeon, extending over thirty-three years, Mr. Arthur Capper has tendered his resignation owing to his removal from Wallasey. Our warm thanks are due to him. Mr. Allan C. Capper, having received a public appointment, has resigned his position on the Hospital Staff, and a successor will shortly be selected.

After a long and distinguished service to the Hospital, Mr. W. Duncan Taylor resigned the Chairmanship and Mr. Albert Whiteside was appointed to take his place, Canon Roscamp succeeding Mr. Whiteside as Vice-Chairman. Mr. W. K. Findlay and Mr. James Allcorn have been co-opted as Members of the General Committee. The following Members retire from the Committee, viz. :—

Dr. J. M. Anderson,	Mr. A. Whiteside,
Mr. W. J. Fairclough,	Mr. G. J. Swanwick,
Dr. W. P. Ringland,	Mr. J. Armitage Jones.

and (with the exception of Dr. Ringland) offer themselves for re-election.

Your Committee again tender to the Honorary Consulting Staff, the Medical Staff, the Matron and Nursing Staff and to Messrs. Dawson, Graves & Co., the Hon. Auditors, the Hon. Consulting Architect Mr. T. Taliesin Rees and our Hon. Solicitor Mr. Arthur Wardle, very cordial appreciation of their valued services during the year.

MEDICAL REPORT.

Another year of progress has to be recorded both in the Private and General Wards. The figures are as follows :—

OUT-PATIENTS.

No. of Out-Patients		No. of Operations	10
Attendances ..	1688	Attendances of Masseur	43
No. of Out-Patients	924		

There has also been an increase in the days in Hospital from 9,344 to 10,881.

The increase in the number of surgical cases is striking. Surgical cases have usually to be attended to without delay and beds have to be found for them. The medical cases are admitted when beds are available for them. In 1936, we admitted 206 medical cases, last year we had 144 and this year we could only take 141. This all goes to show that more beds are required now, especially in the General Wards. As the district grows, the scarcity of beds becomes more apparent.

The Medical Staff wish to express their appreciation to the Matron and her Nursing Staff for their efficient services during the year.

J. M. ANDERSON, M.B., Ch.B.

X-RAYS.

There has again been an increase in the work of the X-Ray Department during the past year.

A total of 808 cases have been examined. These have been made up as follows :—

Gastro-intestinal examinations	162
Chest	137
Kidneys	98
Pregnancies	16
General	395

The apparatus has worked satisfactorily, and there have been no changes in the working of the department.

of the

WALLASEY COTTAGE HOSPITAL.

6. Any person who shall contribute not less than one guinea annually to the funds of the Hospital by way of subscription and any person eligible under Article 30 hereof, shall be eligible if willing to become an Annual Member. Any such person whether he shall become a member or not shall have the right to attend at all annual special and general meetings of the Hospital but shall not have the right to vote at such meetings unless he shall become an annual member or is a person nominated as an associated member under Article 30.

7. An Annual Member shall cease to be a member at the end of the year if the annual subscription payable by him for such year and also for the last preceeding year shall both be in arrear.

8. Annual subscriptions shall be treated as becoming due in advance on the 1st January in each year.

11. Annual General Meetings shall be held in the month of February in each year at such place as aforesaid.

13. Seven clear days notice at least specifying the day, place and hour of any General Meeting and of the general nature of the business to be transacted shall be sent to every member entitled to receive the same, or given by advertisement in one or more newspapers circulating in Wallasey and in one Liverpool daily newspaper, but the accidental omission or failure to give any such notice to or the non-receipt of any such notice by any of the members shall not invalidate the proceedings at any General Meeting.

21. Proper Minutes shall be kept of all proceedings.

22. The general management of the Hospital from year to year shall be entrusted to a Committee which shall consist of the executive officers mentioned in Article 29 and not more than 21 gentlemen to be composed of annual members whose subscriptions for the previous year shall have been paid. At every Annual General Meeting one-third of the said 21 gentlemen shall retire from office.

25. The Committee shall hold regular meetings at stated intervals at least quarterly and unless otherwise determined by the Hospital in General Meeting the quorum at a Meeting of the Committee shall be three.

27. The Committee may exercise all such powers and do all such acts and things as may be exercised or done by the Hospital and are not by Statute or by these Articles expressly directed or required to be exercised or done by the Hospital in General Meeting subject nevertheless to any statute and to any provisions of these Articles and to such regulations being not inconsistent with such provisions as may be prescribed by the Hospital in General Meeting.

29. (1) The Committee shall annually as soon as convenient after the Annual General Meeting appoint from amongst the members of the Hospital (subject only as hereinafter expressly provided).

Four Honorary Executive Officers, namely :—

- (1) Chairman.
- (2) Vice-Chairman.
- (3) Treasurer.
- (4) Secretary.

who shall respectively remain in office until their successors have been appointed and who shall *ex-officio* be members of all Committees and Sub-Committees.

OPERATING THEATRE.

- (2) Sub-Committees may be appointed for special purposes by the Committee. Persons who are not members of the Hospital but who have special technical qualifications may be appointed members of a Sub-Committee provided that not less than two-thirds of the members of any Sub-Committee shall at all times be members of the Hospital.

32. The Committee shall have power to appoint Honorary Medical Officers.

34. The Honorary Medical Staff shall keep a register in which shall be entered the names of patients treated at the Hospital. This register shall be produced at the Committee Meetings and before the Annual Meeting the Medical Officers shall send to the Honorary Secretary a report of the cases which have been under their care during the previous year.

41. The Annual Members shall have the privilege of recommending poor persons as patients; and although the hospital shall be open to all suitable cases, preference in admission shall be given to such recommendations should the number of patients in the wards, or circumstances generally, make a selection necessary.

43. No patients shall be admitted whose circumstances are such as to enable them to pay for their treatment, except upon payment of such weekly sum as may be fixed by the Committee and all patients shall be expected to contribute as they may be able, to the funds of the Hospital. Patients receiving compensation for accidents or any patients receiving money benefits under the National Insurance Acts, 1911, or any subsequent or amending Act, shall make such payments as the Committee may require.

All persons applying for treatment at this Hospital will be required to state whether they are insured persons or not.

Insured persons with small ailments will not be treated at this Hospital, but in cases of accidents which are not serious "First Aid" will be rendered and the Patient thereafter referred for further treatment to his Panel Doctor.

44. No patient shall remain in the Hospital for more than one month without the special permission of the Medical Officers and not more than three months without the permission of the Committee. No woman advanced in pregnancy shall be admitted (except in cases of severe accident or emergency) nor any person of notoriously bad character or suffering from venereal disease nor any person suspected to have an infectious or contagious disease, or lunatic affection, or delirium tremens, nor any cases of advanced phthisis nor any believed to be incurable, or in a dying state (except in cases of severe accident) nor children under 12 months old but this shall not prevent the Hospital receiving cases for which the Minister of Health may desire accommodation and treatment.

47. Assistance shall be afforded at the Hospital to persons suffering from minor casualties, in the department specially provided for Out-patients. A charge to cover the cost of surgical dressings shall be made in all cases where such out-patients are able to pay therefor.

53. The Committee shall cause true and proper accounts to be kept shewing in detail the receipts and expenditure of the Hospital and the whole of its property credits and liabilities.

VISITORS TO PATIENTS.

I. Friends of such patients as are in fit condition to receive visitors shall be allowed to visit them on Sundays and Wednesdays, in each week, between the hours of two and four in the afternoon, except that in cases where it is essential that any particular Ward should be kept quiet, the Matron is empowered to refuse admission to such Ward, and in no case shall more than two visitors to each patient be admitted at the same time.

II. Visits to patients outside the hours above-mentioned can only be allowed in cases where special permission has been obtained from one of the Medical Officers and the Matron.

III. Friends of patients are not permitted to remain in the Wards during the visits of the Medical Officers.

REPORT OF THE AUDITORS TO THE MEMBERS OF THE WALLASEY COTTAGE HOSPITAL.

We have audited the Balance Sheet of the Wallasey Cottage Hospital as above set forth and have obtained all the information and explanations we have required. In accordance with previous Accounts nothing appears in the Balance Sheet in respect of Land and Buildings of the Hospital acquired up to 31st December, 1925, or in respect of Accounts outstanding at the date of the Balance Sheet. The amount shown as Expenditure in respect of Buildings erected, purchased or improved since 31st December, 1925.

of Buildings and Equipment refers to Buildings erected, purchased or improved since 1st December, 1920.

Subject to the foregoing remarks, in our opinion, the Balance Sheet which we have audited is properly drawn up so as to exhibit a true and correct view of the state of the Company's affairs according to the best of our information and the explanations given to us and as shown by the Books of the Company.
